REIMAGINE RECONFIGURE RECONNECT

The world around us is in a state of unprecedented disruption. Everything seems upside down, and we are all struggling to adapt. We are grappling with social and political upheaval, climate change, technological advancements and disruptions that are happening on a global scale, affecting every aspect of our lives.

In this moment, we have the opportunity to see things in a new light and like the kaleidoscope, create something new and beautiful. If old ways of doing things do not work anymore, it is imperative to pause and reflect on what truly matters to us, to think creatively. We can reimagine our economy, our social systems, and our relationship with the planet. We can reconfigure our cities, our workplaces, and our homes to be more resilient and adaptable. And we can reconnect with each other in new and meaningful ways.

To make the most of this moment of disruption, we need to be willing to reimagine, reconfigure, and reconnect. We need to be willing to let the pieces fall in new patterns and look at them with curiosity.

Join us at TEDxSonomaCounty 2024 to hear speakers who will inspire you with ideas and opportunities for growth and transformation. Together let's embrace this moment of disruption and use it as a catalyst for change.

WHEN IS TEDx?

Join us on Saturday, March 2, 2024 at our 12th annual TEDxSonomaCounty to experience Reimagine, Reconfigure, Reconnect: to hear big ideas in technology, entertainment, and design and to participate in our local TEDx community. Be inspired by thought-provoking speakers who share concepts that are larger than ourselves and help reframe our vision of what is possible.

WHAT IS TED?

TED is a global foundation devoted to Ideas Worth Spreading. It started in 1984 as a conference bringing together people from three worlds: Technology, Entertainment, and Design. Since then, its scope has become ever broader. With its two annual conferences, video website TED.com, initiatives and community projects, TED is now a platform and a global movement focused on meaningful change through the power of ideas.

WHAT IS TEDx?

TEDx was created in the spirit of TED's mission, Ideas Worth Spreading. The program is designed to give communities, organizations and individuals the opportunity to stimulate dialogue through TED-like experiences at the local level. At TEDx events, a combination of live presenters and TEDTalks videos spark deep conversation and connections. TEDx events are fully planned and coordinated independently, on a community-by-community basis. TEDx Organizers are not hosting events for political reasons, monetary reward or personal gain. They are doing so because they truly believe in the power of ideas to change the world. TEDx events are open source, local and community-driven events that inspire innovation, thought leadership and visionary insight. A TEDx license is free to obtain.

WHY IS YOUR INVOLVEMENT SO IMPORTANT?

TEDxSonomaCounty targets forward-thinking companies and organizations that share our vision for a world shaped by powerful ideas. We are committed to the success of this event and are excited to work with you to make sure that you can take full advantage of the opportunity to support TEDxSonomaCounty. Supporting us in this way is an excellent opportunity to build partnerships and connections to a new sector of the community. We seek to partner with local companies that value creative solutions, innovation, and meaningful impact. We value your monetary or in-kind donations, and guarantee that supporting us will be highly beneficial to your company's presence in Sonoma County and beyond.

PAST SUCCESS

In the spirit of ideas worth spreading, TEDxSonomaCounty is held annually at the Jackson Theater at Sonoma Country Day School in Santa Rosa, California, bringing together our community with inspiring speakers, artists and performers to explore a theme. We are organized by a group of individuals who are inspired by TED and want to bring the experience to Sonoma County. Every year TED surveys our attendees. Here are a few highlights from last year's guests:

“THE SPEAKERS WERE COMPELLING AND I’M FINDING MYSELF DAYS LATER THINKING ABOUT THEIR STORIES AND JOURNEYS. NEW WAYS OF LOOKING AT THINGS, HEARTWARMING EXPERIENCES AND THE CROWD WAS A GREAT MIX OF OUR COMMUNITY AS WELL. GREAT JOB!”

“UNLIKE ANYTHING ELSE IN OUR COMMUNITY! FASCINATING, EDUCATIONAL, INSPIRATIONAL, AND A GREAT CONNECTION BUILDING EVENT!”

“SUCH A WONDERFUL SELECTION OF SPEAKERS ON SUCH A WIDE VARIETY OF TOPICS. GETS THE BRAIN FIRED UP ON ALL CYLINDERS.”

“A PROFESSIONALLY PRODUCED, MEANINGFULLY CURATED, POWERFULLY PRESENTED PROGRAM -- ALL IN A SINGLE AFTERNOON!”

“IT WAS INTERESTING, THOUGHT PROVOKING, EMOTIONALLY UPLIFTING, SERIOUS AND FUNNY, AND ALL RIGHT HERE IN SONOMA COUNTY. THE BEST AFTERNOON WE’VE HAD IN A LONG TIME.”

“I DIDN’T EXPECT TO BE WOWED BY THIS EVENT, BUT I ABSOLUTELY WAS! WELL DONE! LOOKING FORWARD TO SPREADING THE WORD AND SEEING YOU ALL NEXT YEAR.”
